PEACE MALA WORKSHOPS

OUR FACILITATOR

REV. FUJO MALAIKA-INTERFAITH MINISTER / PEACE AMBASSADOR.

Malaika is an Interfaith Minister/Peace Ambassador. She has worked with various communities within Greater Manchester for many years, and her work is focused around creating and delivering peace and forgiveness workshops that celebrate and promote the importance of peaceful relationships within communities while recognizing individual excellence. She has received several accolades for her community work from various leaders and key figures, including former Prime Minister Gordon Brown, Sir Terry Waite and Peter Fahay and former MP Bev Hughes

Malaika is particularly passionate about Peace Mala, which she considers as her 'bedrock.' She believes strongly in upholding equality and respect for all, in line with the 'Golden Rule,' to treat others as you expect to be treated. Her intension is to spread Peace Mala workshops throughout Manchester, which would be very fitting following Brexit.
